This is an adult league, and all bowlers must be a minimum of 18 years of age to bowl in the league. This bowling league shall consist of 16 teams with a Playing Strength of 4 players. Teams maybe comprised of any combination of gender. The league will bowl on Wednesday night for 31 weeks, including sweeper, commencing September 3rd. All scheduled matches shall start at 6:45pm with shadow bowling at 6:35pm. Tardy bowlers shall not be allowed to start after the last bowler on the opposing team has finished bowling the 3rd frame. This league will be sanctioned with the USBC through the local association of Central Sonoma County USBC (CSCUSBC). The management of the league shall rest in the board of Directors. The board of Directors shall consist of the officers (listed above) and team captains. (Also, USBC Rule 103a applies.)

FEES: weekly:	Bowling fees	<u>\$19.05</u>	Sanction:	Men's fee	<u>\$25.00</u>
	Secretary fees	<u>\$1.00</u>		Women's fee	<u>\$25.00</u>
	Prize Fund	<u>\$2.95</u>			
	Total league fees <u>\$23.00</u>				

If you do not bowl for the first two weeks of the bowling season you are not required to pay the lineage fee of \$19.05. The non "Additional Players" regular members on a current team roster are required to pay the weekly total fees of \$23.00 each week whether they bowl or not. (Also see rule below about substitute bowlers.) The league will allow a one-week grace period on payment of league fees if needed. The League President and League Treasurer must approve special arrangements for anyone to be more than one week in arrear. After the league has tried to work out an agreement for a bowler to pay off any arrearage they have and if that agreement fails, that bowler will be subject to USBC suspension for "Improper conduct Rule 17B & Nonpayment of league fees under Rule 17B-3." (Also, see USBC rule 122b).

SPLIT SEASON: At the end of each third, a first-place winner (most points won) will be named, and the team's wins and losses will start over, but the individual averages of all bowlers will continue. A team's prize (Pin) money shall be determined by the team's total number of wins (points) for the entire season. If there are two or more segments, then a team may qualify only one time for the playoff. After a team has qualified, that team shall be disregarded when determining future teams for the playoff.

ROLL-OFF/PLAYOFF: When a split season of thirds is chosen the first-place team for each segment and a Wild Card team will bowl in the final playoff. The Wild Card team is the team that has the highest number of total wins during the season and is not a 1st place team from any third. The winners of the 1st and 2nd third and the winner of the 3rd third and the Wild Card team will be paired together to bowl the playoff.

In the event of a tie for first place at the end of any segment, the teams involved shall bowl a 2-frame roll-off that night (=9th & 10th frame*). And if needed an additional 1-frame (=10th frame*) will be bowled to resolve the tie for 1st place.

The playoff to determine the winner of the overall first place team or any trophy positions, will be a three-game series bowled on sweeper night (wk. 31) under the same conditions and rules governing league play during the regular season, total pins with handicap, shall determine the overall winner and any other trophy positions.

In the event of a tie at the end of the playoff series, the teams involved shall bowl a 2-frame roll-off that night (=9th & 10th frame*). And if needed an additional 1-frame (=10th frame*) will be bowled to resolve the tie. If any of the tie breakers above still end in a tie, a coin toss will determine the winner. Scores bowled in the final playoff (wky 31, sweeper night) shall not count toward individual or other prize awards (except sweeper night winners) offered by the league. Sweeper night scores will be included in your final average.

*With handicap(2 frames worth) and manual scoring. A special score sheet will be provided. (= means equivalent)

HANDICAPS: Individual handicap is 90% of the difference between 220 and the bowler's average. If a bowler's average goes over 220, they will have a negative handicap. Team handicap will be the sum of the team's individual member's handicaps.

The Primary Regular Members will be required to pay the League fee of \$23.00 per week**, even if they have a substitute bowler bowl for them. If the Additional Player is required to pay and they fail to do that, the league fee would default back to the Primary player they bowled for.
